Special Thanks to Brian Livingston for showing Sassy superbly & to Paul Catterson for his help on her final major.

Sassy is our 1st show dog, so we acknowledge & thank a few folks who helped us on our way.

Anne Legge, Adriana Pavlinovic, Mary Zitek & Wendy Musgrove

Thank You!

Sassy will now focus some time on trailing, rally & obedience work; but she may still make a few special outings in to the show ring.

Meanwhile she will enjoy the good life, here at the ranch, where she is spoiled rotten by the people she owns. *David & Marlene Groves*
